JÄSENKIRJE 3/2010

29.11.2010

ABRIDGED TRANSLATION OF THE BULLETIN 3/2010

Dear relative,

hot summer 2010 is behind us and we are heading to a new decade.

Year 2011 will be remarkable for the Eskil Piira Family Society. The Family Book is finally being written and we have realistic hopes that it will be published by the next family reunion.

Family Reunion next summer

The Family Reunion takes place in Kuhmo on the 6th and 7th of August in 2011. On Saturday we make a trip to Lentiira village and on Sunday we celebrate together and have the official meeting. A detailed program will be sent in next spring. Make a note in your calendar. Welcome to the party!

The administration has met three times. The family book and the family reunion have been on the agenda. We have got quite many new members to the society. The economy of the society is on stable bases. Many, many members have been in contact concerning the book. This makes us believe that the book will receive lots of readers. Also the home pages (eskilpiira.fi) have been frequently visited.

Family book will be published next summer

We have received plenty of updated data for the book. You can still send us last minute information such as pictures, memories and memoirs – especially of the war time and immigration to Russia, Sweden or across the great seas. But we have to draw the time limit at the beginning of next year.

The final form, number of pages and price of the book will be defined during next spring and the advance booking of the book begins. The book will include a lot of new previously unpublished material, many family tables and interesting reading.

We wish you a Merry Christmas and a Happy New Year!
